D) READ AND ANSWER (OKU VE CEVAPLA)

Gregory is my brother. He is eight years old and I am ten. We always look forward to the first big snow of the year. We watch it out the window and hope we have a snow day from school the next day. Mom makes hot chocolate for us and we bake cookies. It is always something special when we have the first

snow. Mom likes to make vegetable soup for us to eat. She says it helps to keep us warm when we play in the snow. Gregory and I went outside early this morning. We bundled up so we could stay warm. The first thing we did was to make snow angels. Then, we slid down the hill on boxes with our neighbors. Finally, we spent the whole afternoon making our first snowman of the year. He is right out there in our front yard. Mr. Bowman is our neighbor across the street. He gave us an old black hat for the snowman to wear. Mom gave us a yellow scarf to put around the snowman's neck. We used sticks from the yard to make the arms. Mom gave us coal for the snowman's eyes and mouth and a carrot for his nose. Mom always takes our picture with the snowman. Gregory is fun to play with when it snows. He is a good brother most of the time.

1. What season is it in this story?
2. Who is telling the story?
